

Freak/Genius Creative Intensive

A workshop for professionals and semi professionals in devising for the stage (a forum to explore and develop your own works-in-progress)

thought and action in acting, dance, performance art, music, and critique

Course taught in English with movement, sound and gibberish

Saturday kl. 9-16

7-hour course devoted to improvisation, communication, collaboration... and getting out of your own creative way!

You will: work on your own work, collaborate with and critique others, develop and present works-in-progress.

The Freak/Genius method is designed by Paul Gordon and developed through 28 years of directing, creating and performing experience. Paul has performed in over 30 countries on stages and tv for a worldwide audience of over 1.5 billion people. His work won the Critic's Choice Award at the Edinburgh Fringe, and has been in DK on Zulu Comedy and TV2/Lorry.

FreakGenius mission:

- know who you are
- know what you believe
- know why you want to say what you want to say
- let the messages dictate the mediums; do not let your training limit you.

"Probably a brain surgeon or rocket scientist in real life" – Village Voice, NYC

"hilarious and... very inspiring" – Nikolaj Kopernikus
